

## About Our Speaker

West Brazelton

**West's** great passion is making disciples, developing systems, and establishing cultures that encourage relational disciple making. As the senior pastor of Grace Bible Church in Houston, an EFCA church he planted fourteen years ago, West ensures that the **mission of the Church "to glorify God by making disciples who transform the world" is front and center.** In addition to being the senior pastor at Grace, West speaks on the topic of disciple making and trains pastors and church leaders through

conferences and projects.

West was born and raised in Houston and attended college at the University of Texas at Austin. During his senior year, he met Mary Lowry and they married a year after graduation. West and Mary moved to Colorado shortly thereafter to attend Denver Theological Seminary. They made the move back to Texas after West received a call to be the Youth Pastor at First Evangelical Free Church (now renamed Austin Oaks) in Austin. He worked for 4 ½ years at First Evangelical Free as the Youth Pastor and then moved to Mammoth Lakes, CA to be the Senior Pastor of Grace Community Church. **West and Mary left Mammoth Lakes to plant Grace Bible Church in Houston 14 years ago. In all three of his ministry roles disciple making has been at the forefront of all he does.** West and Mary have three precious children: Will, Rebekah, and Annie Kate.
