

Gift Baskets for Kids Club Parents

Gift items are needed to make gift baskets for parents of students in Kids Club at Colonial Hills Elementary School. Items are collected, packed in pretty baskets, wrapped in clear cello bags, and tied up with a beautiful bow. Students proudly choose their very own gift for their family to take home with tracts and New Testaments for Christmas.

Suggested Gift Items (new items only):

For Men: socks, flashlights, colognes, small tools, wallets, gloves, watches, nice pens, games, coffee cups, fun movies, snack items, clocks

For Women: personal fleece blankets, socks, lotions, colognes, fingernail polish, cosmetic bags, scarves, household and kitchen items, soaps, wallets, jewelry, small appliances

Join us July 10 for our next Summer Shake Up event and bring these items with you. We will have time to hear from the Colonial Hills Ministry before we break into our activity groups.
